Turner Case Settled

Muskogee, Okla., Jan. 3.—The famous legal battle for the final title to a square block of business property in the heart of the city, was won by the mother, Julia Ayres Turner, and the son, Fred E. Turner, from the other sons and daughters of John Turner by a decision in the district court Saturday. The property is conservatively valued at half a million dollars, while the monthly income from the rentals is very high. The case, in one form or another, has been in the courts since before statehood. It was held Saturday that the title in the property rested on the mother. The case will be appealed to the supreme court.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Ardmore readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

J. L. Bosly, Railroad street, Marietta, Okla., says: "I had considerable trouble from disordered kidneys and had to get up several times at night. I had pain through the small of my back and I felt miserable in every way. A friend who knew of the 'good medicine Doan's Kidney Pills' were, told me to give them a trial. I got a supply and felt relieved almost instantly. Two boxes of Doan's Kidney Pills cured me."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bosly had. Foster-Milburn Co., Props., Buffalo, N. Y.

She will lecture Wednesday morning at 8:30 at the Ardmore high school auditorium. All parents and friends of the schools in the city are requested to come to hear the lecture.

DARING DIAMOND ROBBERY VALUABLE STONES MISSING

Dallas, Texas, Jan. 2.—Hurling a brick, wrapped in a paper through a plate glass window of the Linz Brothers Jewelry store in the downtown section here late Saturday, a boy of 17 snatched a tray of valuable diamonds and ran. He was arrested after a chase of several blocks in which scores of passersby joined. An unset solitaire diamond, valued at \$10,000 among the jewels believed taken, still is missing; a diamond la valiere, valued at \$7,500 was picked up half a block away and returned to the store; several other valuable diamonds are believed to be missing.

The boy told the police Saturday night his name was James Williams, that he was from Chicago, and had been here for three weeks unable to obtain work. A search of his person failed to disclose any of the jewelry. Police believe Williams swallowed the valuable diamond.

Members of the jewelry firm said tonight the unset diamond and the la valiere were the most valuable pieces of jewelry taken, but that until a complete check had been made, they could not tell what else was gone. They believe several lesser diamonds were taken.

The robbery took place shortly before 5 o'clock when the streets were thronged with matinee crowds and the usual Saturday afternoon crowd.

CITY SCHOOLS OPENED THIS MORNING

AFTER VACATION, PUPILS AND TEACHERS EAGERLY RESUME THEIR DUTIES THIS MORNING—CHAPEL EXERCISES.

Vacation is over and the schools of the city resumed this morning, after the holidays, imbued with the true school spirit, according to a statement of Prof. Richards this morning.

This morning, at chapel exercises at the High school, the teachers outlined the work they propose to do during the remainder of the school year, and the student body entered heartily into the spirit. Prof. Byrd outlined the schedule for the basketball teams, and urged the boys and girls to be out promptly for practice, as some hard games are ahead of them, which they hope to win. The schedule for the boys includes Wynnewood, Chickasha, Norman, Oklahoma City, and Edmond. For the girls' team, Davis, Pauls Valley, Durant and Norman.

Mrs. McClintock stated that interest is at high tide in school musical circles, and that some programs are being arranged for the future, among them a Verdi program for February, and the school opera this year for the closing days of the term will be "Miss Bob White," a very tuneful, high-class musical piece.

Miss Pugh and Mrs. Cranford have been selected as a committee to select work from the art and science departments of the schools, to become the Ardmore exhibit at the Panama exposition.

The following teachers of the High school spent their vacations at the following places: Prof. Logan at Tahlequah, Professors Byrd and Combs at Edmond, all others remaining in this city.

Prof. Richards stated this morning that he is highly pleased with the work of the teachers and pupils so far this year, and looks for the biggest success in the history of the schools, due to the efforts of both.

The Ardmore city schools resumed work this morning following the holiday recess. Every teacher was at his place, and the work started off very nicely. One ward reports an increase of 75 pupils. The aggregate increase has not been determined today, but it will be between 250 and 300 pupils. All the rooms are full, the teachers have all they can do, the health of the student body is good, and some very fine work is expected to be done.

Woman Aids Men to Escape.

McAlester, Okla., Jan. 3.—A woman with a Winchester rifle held two deputy United States marshals at bay until her husband and two friends escaped into the Jack Fork hills, New Year's eve, according to the frank admission of the returning officers. The woman was Mrs. Henry Hall. The officers were J. O. Peters and S. M. Hardy. They had warrants charging the three fugitives with introducing liquor. As the officers approached, the men fled, Peters and Hardy started in pursuit, but the woman stopped them. After Hall and his friends were safe, she surrendered the gun.

Sheriff Contest Continued

Purcell, Okla., Jan. 3.—The contest suit of Frank Farris against Mark Reader for the office of sheriff of McClain county was continued Thursday by Judge McMillan till the February term of the district court. Farris was the democratic candidate for sheriff and Reader the socialist candidate, who was declared elected by the election board by a 44 majority.

OFFICER MAKES REPORT.

Shows That Much is Being Accomplished in Reform of Prisoners.

Oklahoma City, Jan. 3.—Governor Cruce has received the annual report of Dan B. Herring, parole officer of the penitentiary and reformatory. It is optimistic as to the work of reform that is being accomplished in these institutions and points out that the record of Oklahoma as to recidivism among persons convicted of felonies is favorably comparable with the most fortunate states. The lack of definite employment for discharged prisoners is pointed out as the most frequent cause of recidivism in this state. To meet this Mr. Herring has attempted to make arrangements with employers in this and other states whereby discharged men may be placed at gainful occupations.

Among the suggestions made in this report is one that the trusty system installed by Warden R. W. Dick should be expanded for the reason that it has been very successful in reforming prisoners. It is thought by the parole officer that no good can come of extending paroles to men sentenced for not to exceed one year. He would divide the prisoners into grades and classes according to their prison records and would expand the parole features according as the deserts of the several grades of prisoners may indicate.

Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

LEGISLATURE TO ASSEMBLE TOMORROW

BOTH HOUSE AND SENATE IN CAUCUS SESSION TODAY — McCORMY WILL BE SPEAKER OF HOUSE.

Oklahoma City, Jan. 3.—The legislature is ready to assemble Tuesday, most of the members of both houses being here. The senate caucus will be held Monday night. The senate will be held Monday night.

Senator M. S. Blassingame of Sallisaw will be temporary chairman of the caucus and will doubtless be made permanent chairman, which will constitute him floor leader of the party. Senator H. B. Cordell of Manitou will be temporary secretary. Gus Pool today announced to his friends that he will not go before the senate caucus for secretary of state. This leaves the field clear for J. S. Morris, incumbent by vacation appointment. This place carries with it as ex officio duty the secretaryship of the state election board. Both Senators Shaw and Mitchell are said to be expecting election as president pro tempore.

The house caucus was held at 10 o'clock Monday morning in the hall of representatives. Its work is largely accomplished, through agreements among the several former candidates for speaker, who have all endorsed A. McCormy for the speakership.

Many persons who seek places on the payroll are to be disappointed. The payroll will be shorter this session than heretofore, for the reason that Governor-elect Williams is determined that his economy program shall extend to the legislature and no more employees will be engaged than there are places provided in the statutes. Heretofore this number has been exceeded.
